DISTRICT NIRMITHI KENDRA, CIVIL STATION, MALAPPURAM.
GENERAL CONDITIONS

1. The Bidder should quote all the items of prescribed schedule; partially quoted tenders will be rejected.
2. All works shall be done in conformity with the specifications and conditions of contract in force in the District Nirmithi Kendra, Malappuram. The rate should be quoted in the attached schedule, **KCWWF, TDS (GST, IT) and other taxes are applicable / levied** from the each running bill.
3. The Bidder shall examine closely carefully study the drawings and additional specifications and all the documents, which form part of the agreement to be entered in to by the accepted tenderer. Document connected with the contract such as specifications, plans, descriptive specification sheet regarding materials/ brands etc. can be seen at any time during office hours on office days in the office of the DNKM.
4. **Every tenderer's is expected before quoting his rates, to inspect the site of the proposed work.** The best class of materials to be obtained from sources shall be used on the work. In every case the materials must comply with the relevant standard specifications. Sample of materials are called for in the standard specifications, or in this tender notice, or as required by officials of DNKM in any case, shall submitted to the same for approval before the supply to site for work is begun. If the contractor after examination of the source of material defined in the descriptive Specification sheet is of opinion that material complying the standard or other specifications of the contract cannot be obtained 1st quality or sufficient quality from the source in descriptive specification sheet, he shall so state clearly in his tender and state where from it intends to obtain the materials subject to the approval of the Project manager cum Exe-secretary. **The DNKM will not, however, after acceptance of a contract, rates, pay any extra charges for lead or for any other reasons, in case the contractor is found later on to have misjudged the material available.**
5. The tenderer's particular attention is drawn to the sections and clauses in the Standard "Preliminary specifications" dealing with:
 - (1) Test, inspection and rejection of defective materials and work.
 - (2) Carriage.
 - (3) Watering and lighting.
 - (4) Clearing up during progress and for delivery.
 - (5) Accident.
 - (6) Delays.
 - (7) Particulars of payment.
 - (8) The contractor should closely peruse all the specification claims which govern the rates which he is tendering.

6. FIRM PERIOD OF QUOTED RATE.

In consideration of the tenderer being allowed to quote for the work, he should keep the **tender for a period of 2 months** from the date of opening the tender. Any withdrawal of tender within the firm period will entail forfeiture of the earnest money deposited for the work, without any further notice. If due to administrative or other reasons it is found necessary to keep the tender open for a further period, prior consent of the tenderer shall be obtained in writing for every further period of 30 days.

7. EXECUTION OF AGREEMENT.

- (a) The selected bidder shall execute an agreement for the work as directed within **7 days** from the date of receipt of the Work order for the proper fulfillment of the contract.
- (b) Further time of 7 days shall be allowed to execute an agreement by realizing a fine of 1% of the PAC subject to a minimum of Rs.500/- and maximum of Rs.15000/-
- (c) Bidder will be rejected if agreement is not executed within **15 days** and the work will be awarded to the next lowest tenderer.
- (d) The conditions stated herein are binding upon the contractor and shall be constructed as a preliminary agreement between the successful tenderer and the DNKM pending execution of the agreement.
- (e) The work awarded bidder should submit a Kerala Stamp paper worth Rs.200/- for signing agreement
- (f) The contractor will **take over charge within 7 days** after executing the agreement and commence the work.
8. The DNKM reserves the right to reject any bidder or all the tenders without assigning any reason therefore.
9. The right to carry out the work either in conformity with or in a manner entirely different from the terms of this invitation that may be considered most suitable before or subsequent to the receipt of tenders due to exigencies of work, is reserved with the DNKM.

10. Any further information necessary can be obtained from the DNKM on all working days during office hours.

11. EXTENTION OF TIME OF COMPLETION

(a) The work should be completed in all respects within the agreement period, **further extension will not be allowed.**
 (b) To take care of any delay occurring due to unexpected technical problems faced during execution of the work, time of completion shall be extended by DNKM to complete the work. **If the contractor delays the work further, penalty shall be imposed based on PWD guideline.** The extension of time of completion will not be granted if the extension is necessitated due to the default on the part of the contractor.

12. The contractor is prohibited from removing any department materials from the site/ site store without the written permission of the Engineer in charge. Any unauthorized removal of Departmental materials from the site will be taken as a violation of agreement. The contractor or his authorized agent shall verify the register or department materials maintained by the Officers of DNKM at site and attest the entries regarding the receipts, daily issues and balance available at site. The contractor shall also maintain a copy of the same duly attested by the Site Engineer or his authorized representative.

13. Any other materials available in the DNKM stores if issued to the contractor the cost of the same will be recovered at book value or issue rate plus 8% storage and 12 ½ % of supervision charges or market value or data rate whichever is higher.

14. No employee of DNKM, personally or through family members, will in connection with the tender/ quotation for, or the execution of contract, demand, take a promise for or accept, for self or third person, any material or immaterial benefit which the person is not legally entitled to.

15. The contractor will provide his own tools and plant, store sheds to store his own materials as well as those supplied and will be entirely responsible for proper use and safe custody of the latter and also for any loss, damage, theft, mishandling, weathering or any cause whatsoever.

16. The contractor shall be responsible for the safety of the labour employed by him and he shall be liable to pay the necessary compensation in case of accidents as per the workmen's Compensation Act.

17. The contractor shall be liable for all damages caused to public amenities such as electric wires, telephone cables, water mains and private property which should be repaired and restored with least delay.

18. The contractor should make his own arrangement to extricate himself from any legal action instituted against him by other agencies.

19. **All sums found due to DNKM by virtue of the present contract or any other contract shall be recoverable first from the security deposit furnished by the contractor and if the sum is found insufficient such deficit amount shall be recoverable in any other manner as the DNKM may deem fit.**

20. Time is the essence of the contract. Undue and avoidable delay in the execution of the work will render the contractor liable to penalty.

21. The DNKM reserves the right to terminate the contract at any time in case of poor work, slow progress or violation of rules in other ways.

22. The DNKM reserves the right to abandon the work at any stage if he finds such as a course is necessary and the contractor will be paid only for the finishing items of works.

23. The tenderer on execution of the agreement shall take instruction from the DNKM or the site officers of the Engineering wing, as per tender schedule and agreement.

25. The deposits and recoveries from the contractor ie. Security Deposit, retention, balance payment due to the contractor will not bear interest whatsoever from the employer.

26. The Notice Inviting tender conditions stated herein will form part of the contract Documents.

27. SETTLEMENT OF DISPUTES

Any dispute or difference that arise between the Engineer-in-charge and the contractor on account of this contract, shall at the instance of either party be referred to the DNKM whose decision given in writing shall be final conclusive and binding. The DNKM may at his discretion delegate in writing any of his powers, regarding the specifications and execution of work as per the agreement for this work.

29. Special Condition

(i) PWD Approved Material List should be used for the entire work.

(ii) The Bidder shall quote the work without GST.

(iii) Work has to be carried out as per the priority fixed by the DNKM.

(iv) KCWWF, IT, will be levied as per the rules and coming into force during time to time.

(v) Taxes if any imposed by the Govt/Central Govt. from time to time also will be effect.

Signature of Bidder
